I. Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP) – GENESIS

Branded (Generic) medicines are often sold at significantly higher prices than their unbranded generic equivalents, despite being identical in therapeutic value. Given the widespread poverty across the country, making affordable, high-quality generic medicines available in the market would benefit everyone. With this objective, the Pharma Advisory Forum in its meeting held on 23rd April, 2008, decided to launch the **PMBJP Kendra Campaign** - starting with the sale of generic medicines through dedicated sales outlets called **Pradhan Mantri Bhartiya Janaushadhi Kendra (PMBJK)** in various districts across the country. It is proposed that at least one PMBJK will be opened in each of the 785 districts in the country, with expansion to sub-divisional levels, as well as major towns and village centers.

II. Pharmaceuticals & Medical Devices Bureau of India (PMBI)

PMBI follows the provisions of the General Financial Rules (GFR), 2005 as amended from time to time, the Central Vigilance Commission (CVC) guidelines and instructions from the Department of Pharmaceuticals. The defined roles of PMBI are as follows:
